Email: 3dbrano3@csu.fullerton.edu

Education

2017 California State University, Fullerton (CSUF)
Bachelor of Arts in Psychology, Minor in Philosophy
GPA: 3.94

Honors & Awards

2015 – 2017 Maximizing Access to Research Careers (MARC) Scholar
2013 – 2017 Ronald E. McNair Post-Baccalaureate Scholar
2012 – 2016 Dean's Honor List
2014 Certificate of Appreciation from the Center for Research on Educational Access and Leadership
2014 Inducted into PSI CHI, The International Honor Society in Psychology
2014 Recognition of Services Award, Volunteer Services Program

Grants

2016 Society for Advancing Chicanos/Hispanics & Native Americans in Science Travel Grant
2016 JoAnn Brannock Travel Grant, CSUF
2016 Department of Psychology Travel Grant, CSUF
2015 Department of Psychology Travel Grant, CSUF
2015 Inter-Club Council Travel Grant, CSUF
2014 Associated Students Incorporated Research Grant, CSUF

Presentations

Oral

Sambrano, D., Leong, Y. C., & Zaki, J. (2016, July). *Motivational influences on perceptual judgments: How what we want changes what we see*. Oral presentation at the Leadership Alliance National Symposium. Stamford, CT.

Sambrano, D. & Blandón-Gitlin, I. (2016, April). *The beneficial effects of sadness on decision-making*. Oral presentation at the Humanities and Social Sciences Symposium. CSUF Fullerton, CA.

Fey, T., Blandón-Gitlin, I., & **Sambrano, D.** (2016, March). *Would context manipulation influence older adults' ability to detect deception?* Oral presentation at the American Psychology-Law Society. Atlanta, GA.

Sambrano, D. & Peissig, J. (2015, November). *Exploring differences between emotional experience and perceived facial expression*. Oral presentation at the Southern California Conference for Undergraduate Research. Harvey Mudd College, Claremont, CA.

- Sambrano, D.** & Peissig, J. (2015, July). *Exploring differences between posed and genuine expressions*. Oral presentation at the Annual Ronald E. McNair Scholars Symposium. Berkeley, CA.
- Sambrano, D.** (2015, March). *Do we select our political party based on emotional attachment or political ideology?* Oral presentation at Why We Argue & How We Should: Reason & Deliberation in Public Debate Philosophy Symposium. CSUF Fullerton, CA.
- Garcia, M., Medina, N., & **Sambrano, D.** (2014, March). *Reinventing a summer research program for students of color: An undergraduate and graduate student partnership*. Oral presentation at the American Association of Hispanics in Higher Education Conference, Costa Mesa, CA.

Poster

- Sambrano, D.** & Blandón-Gitlin, I. (2016, October). *The beneficial effects of sadness on decision-making*. Poster presented at the Society for Advancing Chicanos/Hispanics & Native Americans in Science Conference. Long Beach, CA.
- Park, J., Preston, K. S. J., Manapat, P. D., **Sambrano, D.**, & Pizano, N. (2016, May). *Consequences of negatively worded items on the predictive capabilities of the NEO-PI-3 using the Nominal Response Model*. Poster presented at the Association for Psychological Science. Chicago, IL.
- Sambrano, D.**, Preston, K. S. J., Park, J., Manapat, P. D., & Pizano, N. (2016, May). *Decreasing participants' cognitive load while taking surveys under IRT*. Poster presentation at the Western Psychology Association Conference. Long Beach, CA.
- Sambrano, D.**, Preston, K. S. J., Park, J., Manapat, P. D., & Pizano, N. (2016, April). *Emotion regulation and well-being: A structural equation model*. Poster presentation at the Western Psychology Association Conference. Long Beach, CA.
- Park, J., Preston, K. S. J., Manapat, P. D., **Sambrano, D.**, & Pizano, N. (2016, April). *Identifying consequences of negatively worded items with the nominal response model*. Paper presented at the Western Psychological Association. Long Beach, CA.
- Sambrano, D.** & Peissig, J. (2015, August). *Creating a facial expression database and exploring posed and genuine differences*. Poster presentation at the STEM Summer Research Symposium. CSUF, Fullerton, CA.
- Espinoza, R. K. E., **Sambrano, D.** Hunter, B., & Peterson, H. (2015, May). *Influence of jurors' views of mentally ill defendants and level of RWA for racially diverse defendants*. Poster presentation at the Western Psychological Association Conference. Las Vegas, NV.
- Person, D., Oganessian, K., & **Sambrano, D.** (2015, May). *Arts integration predicting creativity and motivation in elementary students*. Poster presentation at the Western Psychological Association Conference. Las Vegas, NV.
- Person, D., Oganessian, K., & **Sambrano, D.** (2015, May). *Professional development influencing art integration and teacher confidence*. Poster presentation at the Western Psychological Association Conference. Las Vegas, NV.
- Sambrano, D.**, Hunter, B., & Peterson, H. (2014, November). *The effects of mental illness attitudes and political ideology on juror decisions*. Poster presentation at the Southern California Conference for Undergraduate Research. CSUF Fullerton, CA.
- Person, D., Oganessian, K., & **Sambrano, D.** (2014, April). *The influence of teacher development on arts integration in elementary schools*. Poster presentation at the Western Psychological Association Conference. Portland, OR.

Person, D., Cuellar, M., Barnett, C., **Sambrano, D.**, Fisk, R., & Arauz, K. (2014, February). *Reinventing a summer research program: A graduate and undergraduate student partnership*. Poster presented at California State University, Fullerton's Research Symposium: Pursuing Excellence in Educational Practice. CSUF Fullerton, CA.

Research Experience

Oct 2015 – **Quantitative Psychology Laboratory**

Present *Research Assistant*

Faculty Advisor: Dr. Kathleen Preston, Associate Professor of Psychology

Project Title: Emotion Regulation and Well-being: A Structural Equation Model

- Administered surveys via Qualtrics to participants on Amazon's mechanical Turk (mTurk) to test the relationship between emotion regulation, psychological well-being, and general life satisfaction; ran statistical analyses

June 2015 – **Legal Psychology Laboratory**

Present *MARC Scholar*

Faculty Advisor: Dr. Iris Blandón-Gitlin, Associate Professor of Psychology

Thesis Title: The Effects of Discrete Affective States on Information Processing Style, Judgment, and Decision Making

- Developed and tested an emotion induction procedure; designed an online experiment through Qualtrics to determine the influences of affective states on cognition; ran statistical analyses

June 2016 – **Stanford Social Neuroscience Laboratory**

Aug 2016 *Stanford Summer Research Early Identification Program Scholar*

Faculty Advisor: Dr. Jamil Zaki, Assistant Professor of Psychology

Project Title: Motivational Influences on Perceptual Judgments: How What We Want Changes What We See

- Created a JavaScript-based version of the random dot motion task administered through mTurk service to test the effects of motivation on perceptual judgments; ran statistical analyses

Oct 2013 – **Vision Laboratory**

May 2015 *Ronald E. McNair Post-Baccalaureate Research Scholar*

Faculty Advisor: Dr. Jessie Peissig, Associate Professor of Psychology

Thesis Title: Exploring Differences in Posed and Genuine Emotional Expressions: A Facial Expression Database

- Created a database of posed and spontaneous emotional expressions; developed and administered surveys; designed experiments using SuperLab; edited videos and images with Final Cut Pro and Photoshop, respectively; ran statistical analyses

Aug 2014 – **Forensic Psychology Laboratory**

May 2015 *Research Assistant*

Faculty Advisor: Dr. Russ Espinoza, Associate Professor of Psychology

Assisted on Project: Juror Bias in Criminal Court Decision Making

- Administered surveys; ran statistical analyses

Related Work Experience

Center for Research on Educational Access and Leadership (C-REAL)

May 2014 – *Statistician Lead*

Dec 2014 Director: Dr. Dawn Person, Professor of Educational Leadership

- Organized and led meetings; diagnosed and resolved data analysis and write-up issues; merged data files to create longitudinal datasets; edited office manuscripts; Led professional development workshops
- Led and co-led four projects: 1) integrating the arts into elementary school curricula, 2) introducing high school students to research, 3) creating interventions for college and high school students interested in nursing careers, and 4) personalizing middle school education in English and mathematics through gamified learning
 - Organized data collection; ran statistical analyses; co-authored an annual report for each project

Oct 2012 – *Research Assistant*

- May 2014
- Led and co-led three projects: 1) integrating the arts into elementary school curricula, 2) introducing high school students to research, and 3) creating interventions for college students interested in teaching
 - Organized data collection; ran statistical analyses; co-authored an annual report for each project

Teaching Experience

Spring *Teaching Assistant for Multivariate Statistics for Psychology*

2016 Professor: Dr. Kathleen Preston

- Held weekly office hours
- Created rubrics for and graded homework assignments
- Assisted students with R code

Spring *Teaching Assistant for Elementary Statistics in Psychology*

2015 – 2016 Professor: Dr. Kathleen Preston

- Held weekly office hours
- Graded homework assignments
- Taught students how to conduct analyses in SPSS in the laboratory section

Spring *Teaching Assistant for Advanced Psychological Statistics*

2015 – 2016 Professor: Dr. Kathleen Preston

- Held weekly office hours
- Graded homework assignments
- Assisted students with R code

April 2015 *Guest Lecturer for Multivariate Statistics for Psychology*

Professor: Dr. Kathleen Preston

Fall 2014 *Teaching Assistant for Research Methods in Psychology*

Dr. Russ Espinoza

- Held weekly office hours
- Graded homework assignments
- Held review sessions for exams

Academic Affiliations & Memberships

| | |
|------|---|
| 2016 | Association for Psychological Science, Student Member |
| 2015 | SACNAS, Student Member |
| 2014 | Psychology Department Student Association |
| 2014 | Western Psychology Association, Student Member |

Technical Skills

Proficient in:

- Kept time for presenters
- Languages: L^AT_EX, HTML, CSS, JavaScript, Paperscript, Python
- Photo and video editors: Adobe Photoshop and Final Cut Express
- Presentation software: PsyToolKit and Superlab
- Statistical software: R, EQS, FlexMIRT, Comprehensive Exploratory Factor Analysis (CEFA), Excel, and Statistical Package for the Social Sciences (SPSS)
- Survey generators: Qualtrics, PsyToolKit, and Google Forms
